Draft Notification.

In exercise of the power conferred by sub-section (2) of section 25 of the Calcutta Municipal Act, 1923 (Bengal Act III of 1923), the Government of Bengal (Ministry of Local Self-Government) are pleased to make the following rules for the preparation and publication of the Electoral Roll for the purposes of the election of Councillors to be held under the said Act :—

RULES FOR THE PREPARATION AND PUBLICATION OF THE ELECTORAL ROLL.**Definitions.**

1. In these rules, unless there is anything repugnant in the subject or context,—

(1) "the Act" means the Calcutta Municipal Act, 1923 (Bengal Act III of 1923), as amended by the Calcutta Municipal (No. II) Act, 1923 (Bengal Act XI of 1923); and

(2) the "constituency" means the constituency specified in Schedule III or Schedule IV to the Act, as the case may be.

2. The Electoral Roll of every constituency shall be prepared and published by the Executive Officer or such other officer or person as he may from time to time specially appoint in writing in this behalf.

The Executive Officer or such other officer or person shall be called the "Registering Authority" for this purpose, and he may employ such agency as he may think fit for the preparation and publication of the Electoral Roll.

3. The Electoral Roll of every constituency shall be in English, but in order to give it wide publicity, the Executive Officer may, if he thinks fit, also order the publication of a copy in Bengali.

4. On or before the 30th day of November immediately preceding each general election, the Registering Authority shall prepare or cause to be prepared a complete Electoral Roll (hereinafter referred to as the Preliminary Roll) for each constituency containing the names of all persons who appear to the Registering Authority to be entitled to be registered as electors for that constituency.

5. In the case of a constituency other than a special constituency, the Preliminary Roll shall be prepared ward by ward, but the Registering Authority may, if he thinks fit, prepare a consolidated Preliminary Roll for several wards comprising a constituency or part of a constituency. The Registering Authority may also sub-divide the roll in such other manner or into such other parts as he may deem expedient for the purpose of facilitating the preparation of the roll.

6. The names of electors registered in the Preliminary Roll or any part of the Preliminary Roll of any such constituency as aforesaid shall be arranged in accordance with the alphabetical order of the names (in English) of the streets and the numbering of the premises in such streets contained in the said roll or part of the roll as the case may be. Where a person is registered as the representative of any company, body corporate, firm, joint family or other association of individuals, or as the manager of a lunatic or the guardian of a minor, a distinctive sign or mark shall be placed against his name in the Preliminary Roll to indicate the fact. Persons qualified as electors under clause (b) or clause (c) of sub-section (1) of section 20 of the Act shall also have a distinctive sign or mark placed against their names in the Preliminary Roll, unless it is decided to publish their names in a separate part or parts of the Preliminary Roll.

7. In the case of a special constituency, the Preliminary Roll shall be in such form as the Registering Authority may direct. It shall contain the names of the persons registered as electors arranged alphabetically with their addresses.

8. The Preliminary Roll prepared as above for every constituency shall be published by the Registering Authority not later than the 30th day of November referred to in rule 4

- (iii) one or more of the Post Offices, as the Registering Authority may think fit, situated within the constituency.

(b) In the case of a special constituency, by affixing for public inspection a complete copy of the roll at the Central Municipal Office and at the office or offices of the Chamber, Association or the Commissioners of the Port of Calcutta, constituting the constituency as the case may be.

9. Printed copies of the Preliminary Roll shall be sold to the public at such prices as may from time to time be fixed by the Executive Officer.

10. For the purpose of the revision of the Electoral Roll, the Executive Officer may appoint in writing such person or persons as he may deem proper to perform all or any of the duties of the Revising Authority in respect of any constituency or part of a constituency :

Provided that no Councillor or Alderman shall be a Revising Authority.

11. Along with the Preliminary Roll of every constituency, published as above, a notice shall be simultaneously published in the constituency, and a notice of the publication of the Preliminary Roll shall also be given by advertisement in local papers specifying for such constituency or any part of it the Revising Authority to whom, the place at which, the period within which, and the manner in which, claims for being included in the Electoral Roll or objections to the inclusion of any name in the Electoral roll shall have to be preferred.

12. Claims and objections shall be preferred in respect of the Preliminary Roll of any constituency not later than the 20th December next following the month of November referred to in rule 4. The Revising Authority shall not entertain any claim or objection received by him after 5 P.M. on that date.

13. All claims and objections shall be in writing and signed by the person making them and shall state the grounds on which they are based, and where they relate to an entry in the Preliminary Roll shall give the reference to or the particulars of that entry.

14. Every person whose claim or objection is received in time shall be served with a notice by the Revising Authority specifying the place where and the time when his claim or objection will be heard, and he may produce or cause to be produced such evidence as he may wish to adduce, but in the absence of such evidence the Revising Authority shall decide the matter on the entries appearing in the records of the Corporation.

15. When objection is made by any person whose name is on the Preliminary Roll to the inclusion of the name of any other person recorded therein, the Revising Authority shall serve on such other person a notice stating the grounds of such objection and specifying the place and the time fixed for the hearing of such objection, where and when such other person may attend with such evidence as he may wish to adduce.

16. Every notice issued by the Revising Authority shall be in writing and shall be served at the address as entered in the Preliminary Roll or at such other address as may be specified by the claimant or objector in his notice of claim or objection, the person objected to being served only at the address given in the roll, provided that a notice may be served by the Revising Authority by sending it to the person concerned by post.

17. The Executive Officer shall cause to be published from time to time on the notice-board at the Central Municipal Office a notice showing generally the dates on which and the places at which the Revising Authority will sit for hearing claims and objections.

18. The Revising Authority shall dispose of all claims and objections by a date to be fixed by the Executive Officer.

It shall be the duty of the Executive Officer to produce all relevant or necessary documents or papers in his power or possession and otherwise render necessary assistance to the Revising Authority in the discharge of his duties.

19. On the date fixed for the hearing or on such other date to which the hearing may be adjourned, the Revising Authority shall hold a summary enquiry into the claims or objections preferred, and shall record his orders either allowing or disallowing the claims or objections. He shall also decide on any application or reference made by the Registering Authority for making corrections in the Preliminary Roll. For the purposes of the enquiry the Preliminary Roll as published shall be presumed to be correct and complete until the contrary has been proved.

20. The orders of the Revising Authority shall be communicated by him to the Registering Authority, who shall cause the roll to be amended in accordance therewith and shall endorse the same in token that this has been done.

Draft Notification.

In exercise of the power conferred by sub-sections (1) and (2) of section 30 of the Calcutta Municipal Act, 1923 (Bengal Act III of 1923), the Government of Bengal (Ministry of Local Self-Government) are pleased to make the following rules for the conduct of elections of Councillors to be held under the said Act :—

Rules for the conduct of elections.

Definition.

1. In these rules, unless there is anything repugnant in the subject or context, "the Act" means the Calcutta Municipal Act, 1923 (Bengal Act III of 1923), as amended by the Calcutta Municipal (No. II) Act, 1923 (Bengal Act XI of 1923).

Appointment of Returning Officers.

2. (1) The Executive Officer may appoint as many Returning Officers as he thinks fit, provided that there shall not be more than one Returning Officer for the same constituency, and provided also that no person shall be appointed as the Returning Officer of any constituency of which he is an elector.

(2) The Executive Officer may at any time, for reasons to be recorded in writing remove any Returning Officer appointed by him and appoint another in his place, and may also appoint a substitute to act as Returning Officer during any temporary disability of the Returning Officer.

Nominations.

3. The Local Government shall appoint—

- (a) a date, not later than the fourteenth day after the date of the notification issued under section 45, sub-section (4) of the Act, calling upon the constituencies to elect the requisite number of members for the nomination of candidates ;
- (b) a further date, not later than the seventh day after the first-mentioned date, for the scrutiny of nominations ; and
- (c) a further date, not less than 10 days from the date of scrutiny of nominations, on which a poll shall, if necessary, be taken ;

and the dates so appointed shall be notified in the constituencies in such manner as the Executive Officer thinks fit.

4. Nominations shall be made by means of a nomination paper in Form I annexed to these rules copies of which will be obtainable at the Central Municipal Office. Each candidate shall be nominated by a separate nomination paper.

5. On or before the date so appointed for the nomination of candidates, each candidate shall, either in person or by his proposer or by his seconder or by his election agent, between the hours of 12 o'clock in the forenoon and 5 o'clock in the afternoon, deliver to the Returning Officer or to such other person as may be authorised in this behalf a nomination paper completed in Form I annexed to these rules and subscribed by the candidate himself as assenting to the nomination and by two persons as proposer and seconder whose names are registered on the Electoral Roll of the constituency :

Provided that a nomination paper signed by a duly authorised attorney on behalf of the candidate shall, for the purpose of this rule, be held to be signed by the candidate himself as assenting to his nomination.

6. Any person whose name is registered on the Electoral Roll of the constituency, and who is not subject to any disability as set forth in section 22 of the Act may, subscribe as proposer or seconder as many nomination papers as there are vacancies to be filled but no more.

7. Every nomination paper delivered under rule 5 shall be accompanied by a declaration in writing subscribed by the candidate in the manner laid down in section 27, sub-section (2) of the Act.

8. Any nomination paper which is not received before 5 o'clock in the afternoon on the date appointed by the Local Government for the nomination of candidates shall be rejected.

9. The Returning Officer or other person authorised shall, on receiving a nomination paper under rule 5, inform the person or persons delivering the same of the date, hour and place appointed for the scrutiny of nominations, and shall enter in the nomination paper its serial number and shall sign thereon a certificate stating the date on which and the hour at which the nomination paper has been delivered to him; and shall, as soon as may be thereafter, cause to be affixed in some conspicuous place in his office a notice of the nomination containing descriptions, similar to those contained in the nomination paper, both of the candidate and of the persons who have subscribed the nomination paper as proposer and seconder.

10. A proposer or a seconder once having signed a nomination paper shall not be allowed to withdraw.

11. The Executive Officer shall, on receiving a notice of withdrawal under section 27, sub-section (8) of the Act, as soon as may be, cause a notice of the withdrawal to be affixed in some conspicuous place in his office and in the office of the Returning Officer of the constituency in regard to which the withdrawal has taken place.

Scrutiny of nominations.

12. On the date appointed by the Local Government under rule 3 for the scrutiny of nominations, the candidates, their election agents, every proposer and every seconder of each candidate, and one other person duly authorised in writing by each candidate, but no other person, may attend at such time and place as the Executive Officer may appoint, and the Returning Officer shall give them all reasonable facilities for examining the nomination papers of all candidates which have been delivered within the time.

13. (1) The Returning Officer shall then examine the nomination papers and shall decide all objections which may be made to any nomination, and may, either on such objection or on his own motion, after such summary inquiry, if any, as he thinks necessary, refuse any nomination on any of the following grounds:—

- (i) that the candidate is ineligible for election in accordance with the provisions of the Act, or
- (ii) that the proposer or seconder is disqualified from subscribing the nomination paper in accordance with the provisions of the Act, or
- (iii) that there has been any failure to comply with any of the provisions of the Act or of these rules relating to the nomination of candidates, or any failure to comply with the provisions of the Act relating to the deposit to be made by candidates under section 27, sub-section (3) of the Act.
- (iv) that the candidate or the proposer or seconder is not identical with the person whose electoral number is given in the nomination paper as the number of such candidate, proposer or seconder, as the case may be, or
- (v) that the signature of the candidate or the proposer or seconder is not genuine.

(2) For the purposes of this rule—

- (a) an entry in the Electoral Roll of any constituency shall be conclusive evidence of the right of any elector named in that entry to stand for election or to subscribe a nomination paper, as the case may be, subject to the disqualifications referred to in section 22 of the Act,
- (b) where a person has subscribed whether as proposer or seconder a larger number of nomination papers than there are vacancies to be filled, those of the papers so subscribed which have been first received, up to the number of vacancies to be filled, shall be deemed to be valid.

(3) Nothing contained in clause (ii), clause (iii), clause (iv), or clause (v) of sub-rule (1) shall be deemed to authorise the refusal of the nomination of any candidate on the ground of any irregularity in respect of a nomination paper, if the candidate has been duly nominated by means of another nomination paper in respect of which no irregularity has been committed.

14. (1) The Returning Officer shall endorse on each nomination paper his decision accepting or rejecting the same and, if the nomination paper is rejected, shall record in writing a brief statement of his reasons for such rejection.

(2) The scrutiny shall be completed on the day appointed in this behalf, and no adjournment of the proceedings shall be allowed.

15. (1) On completion of the scrutiny of nominations the Returning Officer shall forthwith prepare a list of valid nominations and cause it to be affixed in some conspicuous place in his office.

(2) In the case of uncontested returns the Returning Officer shall report the name or names of the candidate or candidates whom he declares to be elected to the Executive Officer, who shall cause the name or names of the candidate or candidates elected to be published in the *Calcutta Gazette*.

16. If the number of duly nominated candidates is greater than the number of vacancies the Returning Officer shall forthwith publish in the local newspapers, and in such other manner as the Executive Officer may prescribe, and in such places in the constituency as he may consider necessary, the names of the candidates as given in the nomination papers in alphabetical order.

17. (1) If a candidate by whom or on whose behalf the deposit referred to in section 27 sub-section (3) of the Act, has been made withdraws his candidature more than seven days before the date fixed for the election, or if the nomination of any such candidate is refused, the deposit shall be returned to the person by whom it was made; and, if any candidate dies before the commencement of the poll, any such deposit, if made by him, shall be returned to his legal representatives or, if not made by the candidate, shall be returned to the persons by whom it was made.

(2) The deposit made in respect of a candidate shall, if it is not forfeited, be returned to the candidate or to the person who has made the deposit on his behalf as soon as may be after the publication of the result of the election.

18. If a candidate who has been duly nominated dies after the date appointed for the scrutiny of nominations and before the date appointed for the taking of a poll, the Returning Officer shall, upon being satisfied of the fact of the death of the candidate, countermand the poll and report the fact to the Executive Officer, and all proceedings with reference to the election shall be commenced anew in all respects as if for a new election:

Provided that no fresh nomination or deposit shall be necessary in the case of a candidate who stood nominated at the time of the countermanding of the poll.

Polling.

19. The Executive Officer shall appoint the hour at which the poll shall commence and the hour at which it shall close on the date appointed by the Local Government for the poll. The hours so fixed shall be published by notification in the local newspapers, and in such other manner as the Executive Officer may direct.

20. (1) The Executive Officer shall select for each constituency as many polling stations as he thinks necessary and shall publish in such manner as he may prescribe a list showing the polling stations so selected and the polling areas for which they have respectively been selected.

(2) The Executive Officer shall appoint a presiding officer for each polling station and such other persons (hereinafter referred to as polling officers) to assist the presiding officer as he thinks necessary.

(3) The Executive Officer may make separate arrangements for the recording of votes by female electors.

21. (1) The presiding officer shall keep order at the polling station, shall see that the election is fairly conducted, shall regulate the number of electors to be admitted at one time, and shall exclude all other persons except—

(a) the polling officers, the candidates, their election agents and one agent of each candidate (hereinafter referred to as the polling agent) appointed in writing by the candidate, and authorized in this behalf by the Executive Officer,

(b) the police or other public servants on duty, and

(c) such other persons as the presiding officer may from time to time admit for the purpose of identifying electors.

(2) The presiding officer shall close the polling station at the hour appointed in that behalf by the Executive Officer under these rules so as to prevent the admission thereto of any elector after that hour, provided that all electors present at the polling station before it is so closed shall be entitled to have their votes recorded.

22. Each polling station shall be provided with such number of compartments as the Executive Officer thinks necessary, in order to enable electors to mark ballot papers as quickly as possible and screened from observation.

23. (1) The Executive Officer shall provide at each polling station materials sufficient for the purpose of enabling electors to mark the ballot papers, instruments for stamping the official mark on such papers, as many ballot boxes as may be necessary, and copies of the electoral roll or of such part thereof as contains the names of the electors entitled to vote at such station.

(2) The official mark shall be kept secret.

24. Every ballot box shall be so constructed that the ballot papers can be introduced therein but cannot be withdrawn therefrom, without the box being unlocked. The presiding officer at any polling station, immediately before the commencement of the poll, shall show the ballot box empty to such persons as may be present in such station, so that they may see that it is empty, and shall then lock it up and place his seal upon it in such manner as to prevent its being opened without breaking such seal, and shall place it in his view for the receipt of ballot papers and keep it so locked and sealed.

25. Before commencing the recording of votes, the presiding officer shall read to such persons as may be present the provisions of section 14 of the Indian Election Offences and Inquiries Act, 1920, and shall explain the substance thereof in Bengali and in such other vernacular (if any) as to the presiding officer may appear to be necessary.

26. Immediately before a ballot paper is delivered to an elector, it shall be marked on the back with the official mark, and the number, name and address of the elector as stated in the electoral roll shall be called out, and the number of the elector shall be entered on the counterfoil, and a mark shall be placed in a copy of the electoral roll

against the number of the elector, to denote that he has received a ballot paper, but without showing the particular ballot paper which he has received. The counterfoil shall bear the name of the constituency and the name or distinctive number of the polling station shall be entered thereon by either the presiding officer or the polling officer.

27. The elector, on receiving the ballot paper, shall forthwith proceed to one of the screened compartments in the polling station set apart for marking ballot papers by electors, and there make a mark on the ballot paper against the name of the candidate or candidates for whom he intends to vote in accordance with the orders set out on the counterfoil paper, and fold it up so as to conceal his vote, and shall put his ballot paper, so folded up, into the ballot box. Every elector shall vote without undue delay and shall quit the polling station as soon as he has put his ballot paper into the ballot box.

28. If the elector, owing to illiteracy or physical or other disability, is unable to read a ballot paper or to make a mark thereon, the presiding officer or polling officer shall mark the vote in the ballot paper according to the direction of the elector. The elector shall then himself, or with the assistance of the presiding officer, put the ballot paper folded up into the ballot box.

29. At any time before a ballot paper is delivered to an elector, the presiding officer or polling officer may, of his own accord, if he has reason to doubt the identity of the elector or his right to vote at such station, and shall, if so required by a candidate or his election agent or polling agent, put to the elector the following questions:—

- (1) Are you the person enrolled as follows (reading the whole entry from the roll)? and,
- (2) Have you already voted at the present election in this constituency as such voter?

and the elector shall not be supplied with a ballot paper if he refuses to answer any one of the questions and unless he answers the first question in the affirmative and the second question in the negative.

30. The ballot paper shall be in Form II annexed to these rules and shall contain the names of the candidates arranged alphabetically in the order of their surnames in English. The names may be printed in such vernaculars as the Executive Officer thinks fit having regard to each constituency. The ballot papers shall be serially numbered, the serial number being printed on the face of the counterfoil and on the back of the ballot paper.

31. If a person representing himself to be a particular elector named on the electoral roll applies for a ballot paper after another person has voted as such elector, the applicant shall, after duly answering such questions as the presiding officer may ask, be entitled to mark a ballot paper in the same manner as any other elector. Such ballot paper (hereinafter referred to as a "tendered ballot paper") shall be of a colour different from the other ballot papers, and, instead of being put into the ballot box, shall be given to the presiding officer and endorsed by him with the name of the elector and his number on the electoral roll and the name of the electoral area to which the roll relates and shall be set aside in a separate packet and shall not be counted by the Returning Officer. The name of the elector and his number in the electoral roll and the name or distinctive number of the polling station to which the roll relates shall be entered in a list in Form III annexed to these rules, which shall bear the heading "Tendered votes list." The person tendering such ballot paper shall sign his name and address thereon or affix his thumb impression against the entry in that list.

32. If any polling agent declares in writing and undertakes to prove that any person by applying for a ballot paper has committed the offence of personation, the presiding officer may require such person to enter in the list of challenged votes (which shall be in Form IV annexed to these rules) his name and address, or if he is unable to write, to affix his thumb impression thereto and may further require such person to produce evidence of identification. If such person on being questioned in the manner provided in rule 29 answers the first question in the affirmative and the other question in the negative, he shall be allowed to vote after he has been informed of the penalty for personation. The presiding officer shall make a note of the circumstances, and of his decision on the list of challenged votes.

33. A voter who has inadvertently dealt with his ballot paper in such a manner that it cannot conveniently be used as a ballot paper may, on delivering it to the presiding officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt paper, and the latter shall, together with its counterfoil, be marked as cancelled.

34. A presiding officer, polling officer, election agent or polling agent who is on duty at a polling station at which he is not entitled to vote shall, if he is certified by the Returning Officer of the constituency in which he is entitled to vote, to be entitled to vote at the election for the constituency in connection with which he is employed or for any other constituency, be allowed to record his vote at that polling station. For this purpose he may use one of the ballot papers at such polling station, and he shall enter in the counterfoil of the ballot paper the name of the polling station, etc.

35. Such ballot paper shall be placed in an envelope and sealed by the presiding officer and returned with the certificate referred to in rule 34 to the Returning Officer who has granted the same, and such Returning Officer shall cause such vote to be included among the other votes given for the candidate designated by the elector.

36. The presiding officer of each polling station, as soon as practicable after the close of the poll, shall, in the presence of any candidates or polling agents who may be present, make up into separate parcels and seal with his own seal and the seal of such candidates or agents as may desire to affix their seal,—

- (1) each ballot box in use at each station unopened but with the key attached ;
- (2) the unused ballot papers ;
- (3) the tendered ballot papers ;
- (4) the spoilt ballot papers ;
- (5) the marked copy of the electoral roll ;
- (6) the counterfoils of the ballot papers ;
- (7) the tendered votes list ; and
- (8) the list of challenged votes ;

and shall deliver such packets to the Returning Officer.

37. The packets shall be accompanied by a statement in Form V annexed to these rules made by the presiding officer, showing the number of ballot papers entrusted to him, and accounting for them under the heads of ballot papers in the ballot box, unused, spoilt, and tendered ballot papers, and ballot papers dealt with under the rules.

Scrutiny of votes.

38. The Executive Officer shall appoint a date, time and place for the *counting of votes* and shall give notice in writing thereof to all candidates and election agents. Such date must not be later than a week after the polling day.

39. (1) No person shall be allowed to be present at the *counting of the votes* except the Returning Officer and such persons as he may appoint to assist him in counting the votes, and such other persons as have a right to be present under section 29, sub-section (5) of the Act.

(2) No person shall be appointed to assist in counting the votes, who has been employed by or on behalf of any candidate for any purpose whatsoever connected with the election.

40. On the day and at the time appointed under rule 38 the Returning Officer shall, before he commences to count the votes, read the provisions of section 14 of the Indian Election Offences and Inquiries Act, 1920, to such persons as may be present and shall then proceed as follows :—

- (a) The ballot box or boxes relating to each polling station shall be opened one after another, and the Returning Officer shall take out the papers therefrom, count them or cause them to be counted, and record the number thereof in a statement. Such statement shall not be shown to any candidate or agent.
- (b) The Returning Officer shall then mix together all the ballot papers so taken out from the ballot boxes and distribute them in convenient bundles to the persons appointed to assist in counting the votes.
- (c) When the ballot papers have been so distributed but not before, the Returning Officer shall allow the candidates and their agents reasonable opportunity to inspect, without handling the ballot papers, and shall on every ballot paper which is wholly or partially rejected endorse the word "Rejected." If any candidate or agent present questions the correctness of the rejection, he shall also record on the ballot paper the grounds for the rejection. No candidate or agent shall be allowed to see the serial number on the back of any ballot paper.
- (d) The Returning Officer shall, as far as practicable, proceed continuously with the counting of the votes ; and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to the election under his own seal and the seals of such candidates or agents as may desire to affix them and shall cause adequate precautions to be taken for their safe custody.

41. (1) A ballot paper shall be rejected if—

- (a) it has not on its back the official mark,
- (b) the number of votes recorded thereon exceeds the number of vacancies to be filled,
- (c) no vote is recorded thereon,
- (d) it is void for uncertainty,
- (e) it bears any mark by which the elector can be identified,

(2) The decision of the Returning Officer as to the validity of a ballot paper shall be final, subject only to reversal by the orders of a Court of competent jurisdiction.

42. The Returning Officer shall not open the sealed packets of the tendered votes, the marked copy of the electoral roll or the counterfoils of the ballot papers. He shall verify the statement submitted by the presiding officer under the instructions by comparing it with the number of counted votes and rejected ballot papers, the unused ballot papers in his possession and the tendered votes list, shall then re-close and re-seal each packet which has been opened by him, and shall record on each packet a description of its contents and the date of the election to which it refers.

44. The Returning Officer shall, after reporting the result of the election, forward the return and all the packets relating to the election in his possession to the Executive Officer.

45. While in the custody of the Executive Officer the packets of ballot papers, whether counted, rejected or tendered, and of the counterfoils thereof, shall not be opened and their contents shall not be inspected or produced except under the order of a Court of competent jurisdiction but all other documents relating to the election shall be open to public inspection subject to such conditions as the Executive Officer may impose.

MEDICAL COLLEGE OF BENGAL.

Rules for the guidance of students seeking admission.

1. Two classes of students are admitted for study in the College—

(a) "Regular," or those who enter for the full University course.

The admission to this class is restricted to students (male and female) who are natives of, or whose parents are domiciled in, the area within the territorial limits of the Calcutta University, and the provinces of Bihar and Orissa, Assam and Central Provinces, and those who come out of the Dacca or the Rangoon University as provided for in rule 5.

(b) "Military Class" (only students of European or Eurasian parentage are admitted to this class). (See separate prospectus for Military students.)

The admission to this class is regulated by the Director-General, Indian Medical Service.

2. The minimum preliminary qualification for admission to the (a) "Regular Class" is the Pass certificate of the I. Sc. Examination of the Calcutta University with Physics and Chemistry or any Examination equivalent to it.

3. The session commences on the 15th June.

4. All new students must apply for admission to the Principal, Medical College, Calcutta, in the prescribed form available in this office, on or before the 25th May, except in the case of Biharis, Uriyas, Chota Nagpuris and Assamese students, who should apply to the Inspectors-General of Civil Hospitals of their respective provinces for admission within such date as the latter may prescribe. Students who come out of the Dacca and the Rangoon Universities and the candidates from the Central Provinces should apply to the Director of Public Instruction of the respective provinces.

Selected candidates must pay the following fees within the time prescribed by the Principal, failing which their names will be struck off the selected list : —

	Rs. A.			
Admission fee	20 0
Fees for Summer term	62 8
Athletic Club fee	2 0
Total	84 8

5. The number of Regular students to be admitted each year is generally 120, but the Principal may, at his discretion, increase or decrease this number. Preference for admission will usually be given to candidates who have superior qualifications, but the final selection lies entirely with the Principal.

One-fourth of the total number to be admitted shall be Muhammadans. Twelve candidates will be nominated by the Inspector-General of Civil Hospitals of Bihar and Orissa, one by the Government of Central Provinces and six candidates by the Inspector-General of Civil Hospitals of Assam, six candidates of the Dacca University by the Director of Public Instruction, Bengal, and two of the Rangoon University by the Director of Public Instruction, Burma. These candidates must possess the qualifications mentioned in rule 2(a). In addition, the Bihar and Orissa Government will nominate six scholars, who must have passed the I. Sc. Examination with Physics and Chemistry. These nominations must reach the Principal, Medical College, Calcutta, before the 10th June in each year, failing which the Principal will fill up vacancies with local candidates.

6. (a) Female students will be admitted to the College provided they possess the requisite preliminary qualification, and provided there is a vacancy in the Surnomoyee Hostel in which all female students must reside.

(b) Female students belonging to provinces other than Bengal will have to pay rents for their seats in the Surnomoyee Hostel.

7. Failed students must apply for admission and pay fee within a week from the date of the publication of their results, otherwise their prior claim lapses.

8. All Regular students must pay an annual fee of Rs. 125 in two instalments, viz., Rs. 62-8 for the Summer term and Rs. 62-8 for the winter term. They must also pay the annual Athletic Club fee of Rs. 2 along with their fees for Summer term. Fees once paid cannot be refunded.

9. The fees for each term are to be paid in one instalment. Except in the case of new students, the fees for Summer term are due on the 15th June and those for the Winter term on the 1st November, and must be paid on those dates or on such subsequent dates as the Principal may direct, after which a daily fine of annas 4 will be levied along with the fee in each case of default.

10. Female students are not liable to pay the Athletic Club fee.
11. Students relegated to a further course of study after their failure at the Preliminary Scientific M. B. and at the First M. B. Examinations shall pay Rs. 80 for the whole session in one instalment within the time prescribed above.
12. Students who fail at the Final M. B. Examination shall pay fees for the whole session at the following rates in one instalment by the 1st June :—

	Rs.
For one subject	25
For two subjects	50
For three or more subjects	75

13. Students taking up subjects outside the curriculum of the year in which they are studying shall pay Rs. 30 for each subject, including lectures and practical classes.

14. The fees for Casual students or for certificates issued to Regular students leaving the College before completing their study, or for those issued to Military students, shall be Rs. 40 per each course of lectures and practical classes and Rs. 30 for every three months of hospital practice.

15. In calculating the sum to be paid under rule 14 by a Regular student, the amount of College fees paid by him, or in the case of a student enjoying a stipendiary scholarship and free tuition, the amount which would have been paid by him had he been a paying student shall be deducted.

16. The fees payable by a Muhammadan student requiring certificates in the same way will be calculated on the same principle, i.e., he will be allowed a deduction for the full annual fee, half of which has been paid by himself and half by the Mohsin Fund.

17. Students of the Military class requiring certificates in the same way will be required to pay the rate of fees laid down in paragraph 14 for the full curriculum or for such portion as they have attended. No deduction will be made in this case as they are not free students in the sense in which that term is defined in Bengal Government Resolution (Education) No. 601 of the 7th December 1880.

18. The fee for post-graduate students undergoing a course of training in the Pathological, Bacteriological, Physiological or Chemical Laboratory is Rs. 90 for a period not exceeding six months.

19. Holders of scholarships awarded by the Government of Bengal are not required to pay the annual fee of Rs. 125 for the year in which they hold such scholarships. All holders of other scholarships, whether granted by other Local Governments, local bodies, or Dufferin Fund, shall pay the same fees as Regular students.

20. The following are the curricula of the College :—
